At IMS Law College, our mission is to provide a unique and updated contextual curriculum with value-added programmes emphasizing intellectual acumen, curiosity and exchange of ideas, through diverse achievable socio-legal goals, projects and strategies; simultaneously identifying and developing each student's personal strengths and potential.

About BEBAAK

The IMS Debating Society

BEBAAK - The IMS Debating Society was formed by the top debaters of IMS Noida in order to provide a platform and create opportunities for the budding debaters, to show and grow their speaking skills and expertise, to learn and guide each other through the nuances of public speaking. Through this platform, students of IMS Noida have been able to hoist the IMS flag high in University Level Debates, Youth Parliaments, Public Speaking competitions, and even National & International Debates.

The debating circuit has been, over the years, kind enough to the members of BEBAAK by providing them with ample opportunities to test their mettle and hone their skills. Through this competition, our aim is to give back to the debating circuit which exists throughout the world.

About THE COMPETITION

“ অসীম – Beyond the Boundaries”

1st IMS International Debate Competition

In these tough times, when a pandemic is wreaking havoc across the globe, the need of the hour is global cooperation; and what better way is there to achieve that, than an international dialogue?

So, BEBAAK brings to you “অসীম - Beyond the Boundaries”, the 1st IMS International Debate Competition. As the name suggests, it aims to break the shackles of petty regionalism and bring together the brilliant minds from all across the globe on to a single platform, providing them the opportunity to speak their hearts out on the issues of international relevance.

“Opinion is the medium between knowledge and ignorance “, and if you have an opinion that can change the world, then now is the time. The stage is set and the world is listening.

GENERAL INFORMATION REGARDING THE COMPETITION

1. The debate will be organized through online video conferencing platforms.
2. This will be a bi-lingual debate. The participants must choose to compete either in English or Hindi. However, they must stick with the same language throughout the competition.
3. The format will be of a conventional debate with individual participation and awards.
4. There will be two levels of the competition taking place parallelly, one for school level participants and one for university level participants, with separate cash prizes for both.

STRUCTURE OF THE COMPETITION (UNIVERSITY LEVEL ROUNDS)

1. The competition will proceed in 3 rounds: **Preliminary, Semi-Finals, and INTERNATIONAL GRAND FINALE.**
2. Each round shall have a different topic.
3. English debaters shall compete against other English debaters only, with the same being the case for Hindi debaters, to keep interjections fair, for the **PRELIMINARY AND SEMI-FINAL ROUNDS.**
4. The top participants of both the languages will be selected for the International Grand Finale where they will be going against each other for the top prizes. **There will be NO interjections in the final round.**
5. The topics for semi-final rounds will be released after the preliminary rounds are over , and for the Final round after the Semi-Finals are over.

STRUCTURE OF THE COMPETITION (SCHOOL LEVEL ROUNDS)

1. The competition will proceed in 3 rounds: **Preliminary, Semi-Finals and School Level International Finale.**
2. The topic for Preliminary and Semi-Final rounds shall be the same, with a different topic for the School Level International Finale.
3. Top 3 Winners of the school level rounds will be awarded cash prizes.
However, the top 3 winners from the school level rounds will also have a chance to compete in the INTERNATIONAL GRAND FINALE for the top prizes. The topic of the School Level International Finale and the International Grand Finale will be the same.
4. English debaters shall compete against other English debaters only, with the same being the case for Hindi debaters, for the PRELIMINARY AND SEMI-FINAL ROUNDS.
5. The top participants of both the languages will be selected for the School Level International Finale to compete against each other.
6. There will be no interjections in any round.

LANGUAGE/ MEDIUM OF DEBATE

1. As previously mentioned, participants may choose to compete either using English or Hindi. Intermixing of the languages or switching between them shall not be allowed for the entirety of the competition.
2. For the preliminary and semi-final rounds, two brackets of contestants will be taking place parallelly, where English contestants will compete against other English contestants, and similarly for Hindi contestants.
3. The top speakers of both the languages from the semi-final rounds will be selected for the final rounds, where they will compete for the top prizes. There will be NO interjections in the final round (for both, International Grand Finale and School Level International Finale).

ABOUT THE TOPIC OF UNIVERSITY LEVEL PRELIMINARY ROUND

"Prostitution should be recognised & legalised globally"

Prostitution, since ages, has been recognized as a social evil that needs to be eradicated right from its roots. But ironically, unlike other social evils that have weathered away with the changing times, prostitution seems to have gathered a stronghold in the deepest and darkest corners of human civilization. Its roots are knitted into the fabric of our society in such a tangled manner that we consciously choose to be ignorant about it, even though we despise it as a social evil.

Legalizing prostitution will regulate a sector of society that has always been oppressed and ignored, it will give an identity to millions who are forced to live in shadows because of the hegemony of our society.

On the flip side, legalizing prostitution poses a threat to the values of our society as it increases the risk of human trafficking, especially in the third world countries. It could also be detrimental to the institution of marriage and various religious beliefs which makes it a humongous task as the governments will not have the general public's opinion on their side.

What is your take?

"वेश्यावृत्ति को वैश्विक स्तर पर मान्य और वैध बनाना चाहिए।"

वेश्यावृत्ति को सदियों से एक सामाजिक बुराई माना गया है, जिसे जड़ से मिटाने की जरूरत है। लेकिन विडंबना यह है कि जहां एक ओर अन्य सामाजिक बुराइयां बदलते समय के साथ दूर हो गईं वहीं, इसके विपरीत, वेश्यावृत्ति ने मानव सभ्यता के सबसे गहरे और अंधेरे कोनों में कब्जा कर लिया है। इसकी जड़ें हमारे समाज के ताने-बाने में इतनी उलझी हुई हैं कि सामाजिक बुराई के रूप में इससे घृणा करने के बावजूद भी हम जान बूझकर इसे अनदेखा करने का चुनाव करते हैं।

वेश्यावृत्ति को वैध बनाने से समाज के एक ऐसे क्षेत्र को विनियमित किया जाएगा जो हमेशा से ही उत्पीड़ित और उपेक्षित रहा है, यह उन लाखों लोगों को एक पहचान देगा जो हमारे समाज के आधिपत्य के कारण अंधेरे में रहने को मजबूर हैं।

दूसरी तरफ, वेश्यावृत्ति को वैध बनाना हमारे समाज के मूल्यों के लिए खतरा है क्योंकि इससे मानव तस्करी का खतरा बढ़ जाता है, खासकर पिछड़े एवं विकासशील राष्ट्रों में। यह विवाह की संस्था और विभिन्न धार्मिक मान्यताओं के लिए भी हानिकारक हो सकता है जिससे इसे वैध करना एक कठिन कार्य बन जाता है क्योंकि सरकार के पास आम जनता का साथ नहीं होगा।

आपका क्या मत है?

ABOUT THE TOPIC OF SCHOOL LEVEL PRELIMINARY+SEMI-FINAL ROUND

"Democratic Nations as compared to others, have better chances to develop faster."

People need to be governed by a set of rules. But the methods of governance vary from place to place. During ancient times, Monarchy was a popular form of government where the ultimate power rested with the King/Queen, no elections were required to elect the new King, it used to be the rule of one family.

In our history textbooks, we have learnt about the Mughal Rule that was present in India, the king used to be the master. There was no constitution, no courts, no authority above the crown, everything was controlled by the King himself.

But with the passage of time, the concept of democracy started sounding more logical and reasonable to people. A form of government where no one else but the people rule themselves through elected representatives, where the constitution is Supreme. Even the governments can't go against the constitutional principles.

But the question is: which form of government is conducive to faster development in a country? Is that a democratic government, because everyone directly or indirectly is involved in the decision making, the government is accountable to its citizens, the people & the media can discuss the policies freely and suggest ideas, or, is that a non-democratic set up because the decision making is quick, there's no hindrance of Red Tapism & projects get completed in quick time?

What is your take?

"दूसरे राष्ट्रों के मुकाबले लोकतांत्रिक राष्ट्रों के पास तेज़ी से विकसित होने की बेहतर संभावना होती है।"

लोगों को शासित करने के लिए कुछ नियमों की आवश्यकता होती है। लेकिन शासन के तरीके जगह के अनुसार बदलते रहते हैं। प्राचीन काल में, राजशाही शासन का एक लोकप्रिय रूप था जहाँ सर्वोच्च शक्ति राजा / रानी के पास थी, नए राजा को चुनने के लिए किसी चुनाव की आवश्यकता नहीं थी, यह एक परिवार का शासन हुआ करता था।

हमारे इतिहास की पाठ्यपुस्तकों में हमने भारत में मौजूद मुगल शासन के बारे में पढ़ा है, जहाँ सभी राजा के अधीन हुआ करते थे। कोई संविधान नहीं था, कोई अदालत नहीं थी, ताज के ऊपर कोई शक्ति नहीं थी, सब कुछ राजा द्वारा नियंत्रित किया जाता था।

लेकिन समय बीतने के साथ, लोकतंत्र की अवधारणा लोगों को अधिक तार्किक और तर्कसंगत लगने लगी। सरकार का एक ऐसा रूप जहाँ कोई और नहीं बल्कि जनता खुद निर्वाचित प्रतिनिधियों के माध्यम से शासन करती है, जहाँ संविधान सर्वोच्च है। यहां तक कि सरकारें भी संवैधानिक सिद्धांतों के खिलाफ नहीं जा सकतीं।

लेकिन सवाल यह है कि देश में तेज़ी से विकास के लिए सरकार का कौन सा रूप अनुकूल है? क्या यह एक लोकतांत्रिक सरकार है, क्योंकि ऐसे में हर कोई प्रत्यक्ष या अप्रत्यक्ष रूप से निर्णय लेने में शामिल है, सरकार अपने नागरिकों के प्रति जवाबदेह है, लोग और मीडिया स्वतंत्र रूप से नीतियों पर चर्चा कर सकते हैं और सुझाव दे सकते हैं, या, यह एक गैर-लोकतांत्रिक व्यवस्था है क्योंकि ऐसे में निर्णय लेने की गति तेज़ है, प्रशासनिक गतिविधियाँ निर्णय लेने में कोई बाधा उत्पन्न नहीं करती हैं और परियोजनाओं को जल्द ही पूरा किया जाता है?

आपकी क्या राय है?
