

ABOUT US

Lexpeeps is totally dedicated to the legal fraternity where to be law professionals get an opportunity to flourish their career in a better way. Lexpeeps organises various events like debates, seminars of its own and also organises the major law school activities on tie-ups with leading law school. Lexpeeps is not only limited to managing the legal events but it also provides internships to law students where the law professionals come in touch with each other and grow by associating with the company. Lexpeeps is also focussing on several social works as corporate social responsibility like providing information and free legal aid to the poorer section of society
