ABOUT THE INSTITUTION

Amity Law School, Noida is an institution of repute that has always channelled its resources wisely into providing high quality education and other developmental opportunities to its students. It focuses not only on giving an all-rounded education but also acknowledges the importance of extra-curricular and co-curricular activities, which helps moulding cognizant individuals and professionals. The LALC acts as a channel of information

by disseminating general socio-legal knowledge to the public at large, through its

various camps, symposiums, workshops and campaigns, both online and offline.

RADIO UDAAN

Radio Udaan is an exclusive and inclusive online radio station for people with disabilities. It was launched in the year 2014 under 'Udaan Empowerment Trust'.

It is run by an enthusiastic team of visually challenged RJs and team

members and is currently heard across 115 countries; it is the only type of Radio Station that is run by disabled people and the monthly listener statistics shuttle between 15,000 to 20,000 listeners.

Radio Udaan

An Inclusive Online Radio Station For People With Disabilities

Through their platform, they have been successful in spreading awareness among their listeners about the policies of the government, the rights, latest schemes and

every information they feel it is important for their listeners. They also give people with disabilities a chance to interact, express their opinion, views and participate by organising various activities like games, quizzes, entertainment, education or personality development giving them an opportunity to grow and learn something new each day.

ABOUT THE EVENT

Online session with **Dr Vipin Malhotra, Associate Professor Delhi University and Ex President of Delhi University Physically Challenged Teachers Association** on the topic

related to Awareness on Disability Rights in India where we intend to discuss relevant laws, government schemes and challenges faced in the implementation of these laws.

DATE : 5 SEPTEMBER 2020

AIMS AND OBJECTIVES

The main objective behind organizing this virtual session is to provide a common platform for the exchange of ideas and knowledge between the learned scholars, officials, students and the listeners subject to laws, schemes and opportunity related to disability in India. The session thus intends to focus on the challenges, strategies and reforms in providing access to legal awareness to those in dire need of it during these difficult times.

SIGNIFICANCE AND INCENTIVE RECEIVED

The benefits to be obtained from this session are:

1. The exchange of knowledge between students, scholars and experts that have been working in this field.
2. The spreading awareness regarding schemes related to Disability laws in India among the people that are in dire need of such information in these difficult times.
3. E-certificates will be awarded to all the participants attending the session.
