HYDERABAD**

PRESENTS

**6th
National
Moot Court
Competition,
2022**

ABOUT THE ORGANIZERS

Symbiosis Law School (SLS) Hyderabad was established in 2014, inheriting splendid novelty, dynamism and excellence in the field of education as a constituent unit of Symbiosis International (Deemed University) Pune. SLS Hyderabad, founded on the pillars of expertise, justice and service, is committed to imparting quality legal education while conforming to acclaimed international standards.

The Moot Court Association (MCA) of SLS, Hyderabad, is a student-run body guided by the faculty in-charge, Dr. Anita Sable to achieve its objective of inculcating an interest in mooting among the students by developing and honing their research and oratory skills. To achieve its objective, the MCA is involved in conducting various training workshops, orientations, mock trials and moot court competitions for the students within the institute at multiple levels and organizing national competitions for law schools across the country.

6TH NATIONAL MOOT COURT COMPETITION, 2022

Symbiosis believes in the holistic development of a student, and for this and academic education, even extracurricular activities are equally important. Mooting is one such aspect of Law school which will assist law students by providing practical implications and knowledge that they would not find in books.

Symbiosis Law School in Hyderabad is delighted to announce the 6th National Moot Court Competition, 2022 ("NMCC") that would allow students to learn and master the art of oration and argumentation from the start of their career as a lawyer. The event will be held virtually with an expert panel with eminent personalities to help students gain experience and knowledge like never before! Previous editions have featured some of the best mooting teams the country offers, demonstrating their immense proficiency and setting a high standard of debate and research.

THE MOOT PROPOSITION

The theme of the moot proposition for this edition shall be multidisciplinary, centered on Information Technology Law. In this rapidly advancing world, technology is ever changing and has completely revolutionized the world since its inception. The proposition shall deal with the laws concerning Information Technology, alongside other subjects to enhance the knowledge of students in this field..

TEAM ELIGIBILITY AND COMPOSITION

Students pursuing an undergraduate degree (3-year LLB programme or a 5-year integrated LLB programme) shall be eligible to participate in the 6th NMCC, 2022. Each team shall comprise three members (two speakers and one researcher); two-member teams are strictly ineligible to participate.
